Dear Wade:

Al Kane stopped by the office this morning and asked me to pass on to you the Williams family's great satisfaction with the logging operation on the Alene Williams tract in Henderson County, Tennessee.

Mr. Kane said he was impressed by the professionalism of yourself and your crew and how you went out of your way to address the concerns of the family about the operation.

Mr. Kane also said that he would be happy to provide a reference to the quality of your work should you need it in the future.

Respectfully,

Robert H. Ford
